

JULIANSABROAD: EL TORO Y LA CRUZ

Hi Friends & Family,

Valencia has moved into Phase 3 this week. Churches can meet at up to 75% of their occupancy, social gatherings of up to 20 people can take place in homes and outside, and we can all walk together as a family at any time of day. Lord willing, things will ease up even more in another week.

It's been nice to be able to see some friends in person, to get together with teammates, and to even leave the kids with someone else for a few hours!

One thing that we've really missed has been our church. Given the eased restrictions, we

were able to invite another family from our church over yesterday to watch the service together. Rubén and Gloria have become good friends, and their son and Calvin have been co-conspirators in Sunday School for a couple of years now. We all had a very nice Sunday together, and it was really refreshing to have fellowship with others in the church after so many months apart.

Our church will begin gathering again in July, but those under 12 and those over 65 have been asked to stay home during the first several weeks, so we will keep looking for ways to enjoy corporate worship and fellowship as we wait for the full re-opening.

Thank God with us for these times of in-person fellowship with other believers!

And please also thank God with us for the following:

1. We celebrated 19 years of marriage on June 2nd! We're thankful to God for his care and faithfulness to us throughout all of these years.
2. We are thankful that we've all been healthy and safe through this time, as have our family and friends!

And please also pray for the following:

1. Continued good health (spiritual, emotional, and physical) for our family, our teammates, and our church body.
2. The MOCLAM students who have used the quarantine to study *Doctrine 1*. Pray as they write their course papers and take their final exams. Pray that they would do well with these tasks, and that what they have studied would help them in their ministries.
3. That Calvin and Lucy would continue to grow in their understanding of God's Word and their love for Jesus. (Well, and that we would too!)

Grace & Peace,
Dan & Anna
