Jim Showers

Friends of Israel: Executive Director / President

Jim oversees and directs all aspects of The Friends of Israel Gospel Ministry. He leads bi-annual tours to Israel, serves as a conference teacher, and leads the overall strategic vision for the ministry. He earned his Master of Divinity and Doctor of Ministry degrees from Baptist Bible Seminary. Since 2002, he has served with FOI—first as the director of finance, treasurer, and chief financial officer. In 2012, he became executive director of this historic Jewish ministry. Jim is motivated by his love for the Jewish people and desire to effectively share the truth of God's Word about the Messiah and His plan for Israel.

He and wife Diane have two grown children and four grandchildren.

Darrell Peterson

Lifeline

Darrell moved to Elkhart 28 years ago to work for First Baptist Church and Elkhart Christian Academy. After 5 years at FBC, he ran a residential construction and land development company for 10 years, building over 1,200 homes in Michiana.

Darrell has been the Executive Director of Lifeline for 13 years, loves Elkhart, and desires to be a part of Lifeline for life. It has been exciting to see God work in amazing ways as Lifeline continues to grow in students, staff and most importantly, kingdom impact.

Darrell has been married for 39 years this January 1st, to Leslie, has 3 children and 5 grandchildren.

Jeff [REDACTED]

World Venture: Albania

Jeff and Meredith are missionaries to the Albanian people. For the last five years they have been ministering in Tirana - the capital city of Albania. Jeff and Meredith's ministry vision is to see the Gospel flourish in Albania and take root among the Albanians in Macedonia. In order to pursue this vision, they are engaged in two distinct, but related ministries: 1) discipleship and evangelism in and through the local church in Albania, and 2) discipleship in the marketplace in both Albania and Macedonia. Prior to God calling them

overseas, Jeff worked as a business lawyer in Milwaukee and Meredith worked in the mental health field. They have three children - Olivia (12), Jude (10) and Liam (8). The [REDACTED] family is currently on home assignment and will be returning to Albania in early January.

John Anderson

Sonset Solutions

John and Jean met while attending Wheaton College, and served together for a time in an inner city ministry in Chicago. John studied business/economics and has a degree from Wheaton, working for several years in industry as a software developer and in management. Jean studied biology/nursing and has dual degrees from Wheaton and Rush University, working for several years as a registered nurse. John and Jean have always had a heart for people and ministry, and for world missions, and have served in many roles over the years in the church.

After several short-term mission trips, John gave more serious thought to how God could use his gifts and knowledge for "kingdom work", seeking eternal results. God opened doors for service in 2010, and John and Jean relocated to Elkhart, Indiana to serve at SonSet Solutions. John currently serves as Senior Software Developer in I.T., a chaplain, and Personnel Director. Jean currently serves in Donation Services, Communications, I.T., and Community Health.

They have four adult children. Elizabeth is married to Peter and a stay-at-home mom, and has three children. John (JR) is a zookeeper at the Lee Richardson Zoo in Garden City, Kansas. David is engaged to Dominique and is a software developer at MarkNet Alliance in Illinois. Anina is married to Tyler and is a registered nurse.

Paul Davis

ABWE : President

Paul and Martha Davis have served in pastoral ministry since 1989. In their lifetime of ministry, they have led church plants, Christian schools and dynamic ministry teams. Additionally, they have given oversight to children's, youth and college/career ministries. They enjoy pace-setting leadership as well as serving as educators, conference speakers and ministry trip facilitators.

In 2017, Paul became the seventh President of ABWE. Today, Paul and

Martha are working hard to meet, support and encourage the ABWE global team, striving to embolden gospel-centered churches to become sending and supporting churches, connecting God-enabled donors to the visionary projects of our fields, and humbly working to build, heal and reignite relationships with ABWE partners past, present and future. The Davises have four adult children who are maturing believers in Jesus Christ. Landon works as an accountant, Kierstin is employed in private education. Rachael is working as a consultant and is in grad school, and their youngest son Ian is a recent college graduate who works in finance.

She considers it a privilege to work for ROH where both staff and volunteers are given an opportunity to use their spiritual gifts to serve.

Faith Promise Goal for 2022

\$166,000

Faith Promise Giving

FAITH PROMISE giving is the amount promised by individuals in a local church to be given to the missionary program, over and above regular giving.

CHRIST'S commands (Mark 16:15), in which He encourages faith, commitment, prayer and giving (2 Cor. 5, Ps. 76:11, Luke 6:38).

ADVANTAGES:

- Parents may teach children the importance and blessing of giving.
- It also helps create a favorable atmosphere to yielding to Christ's service.
- Believers are also spiritually strengthened as they seek God's guidance and provision in this matter.

FAITH PROMISE is different than a pledge (which is binding between an individual and the church). Faith promise is just between an individual and the Lord. There is never any billing, nor information made public.

SIGNING a card enables the treasurer to calculate the total promised by the church to determine the Mission budget for the year. The cards are then destroyed.

EXPERIENCE has proven this program does not take away from regular church giving.
