MONEY MATTERS and MISSIONS

1. The Setting of the Parable

The Olivet Discourse between Jesus' Triumphal entry and His Crucifixion.

2. The Principles of the Parable

There are four Basic Principles of Money Management.

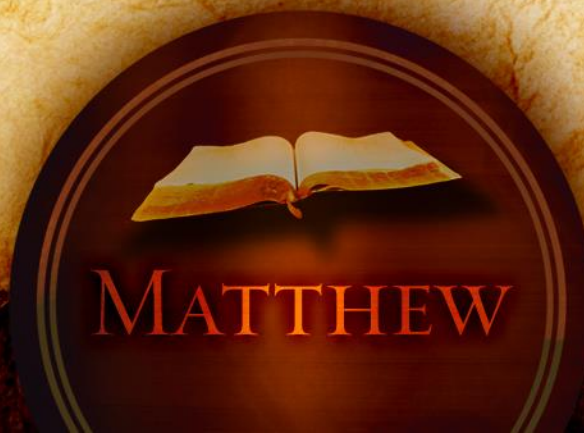

“Sixteen out of thirty-eight of Christ’s parables deal with money; more is said in the New Testament about money than heaven and hell combined; five times more is said about money than prayer; & while there are 500 plus verses on both prayer and faith, there are over 2,000 verses dealing with money and possessions.”

Dr. John MacArthur

GOD OWNS IT ALL

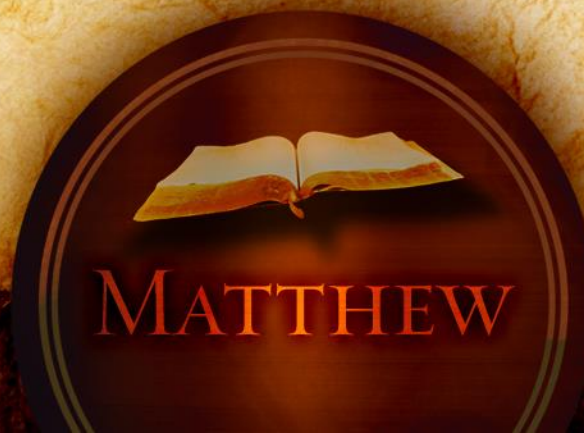

1. God has the right to whatever He wants whenever He wants it. I have only responsibilities.
2. Not only is my giving decision a spiritual decision, but every spending decision is a spiritual decision.
3. You can't fake stewardship. Your checkbook reveals all that you really believe about stewardship.

WE ARE IN A GROWTH PROCESS

1. Money & material possessions are a very effective tool that God uses to grow you up.
2. Money & material possessions are also a test.

LUKE 16:11-12

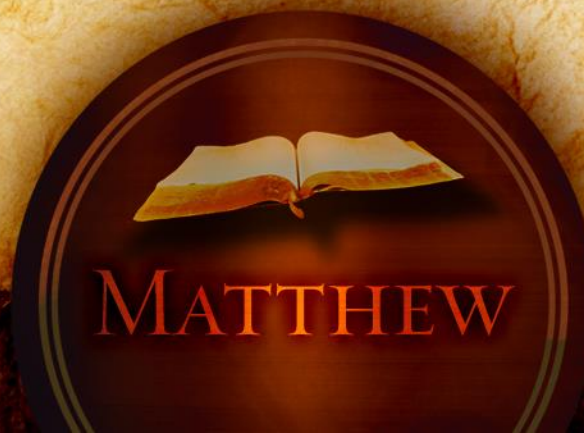

LUKE

"So if you have not been trustworthy in handling worldly wealth, who will trust you with true riches? And if you have not been trustworthy with someone else's property, who will give you property of your own?"

WE ARE IN A GROWTH PROCESS

1. Money & material possessions are a very effective tool that God uses to grow you up.
2. Money & material possessions are also a test.
3. God can use my use of His resources as a testimony to the world.

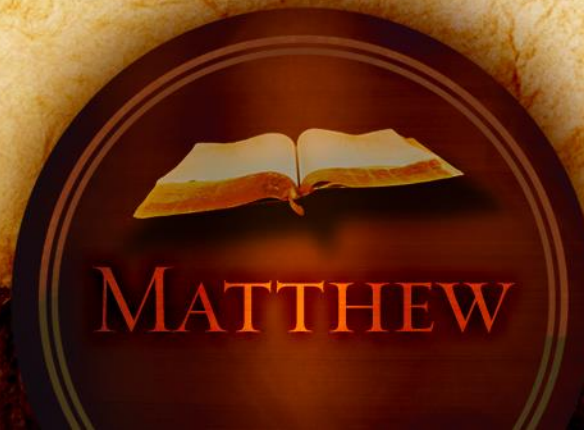

THE AMOUNT IS NOT IMPORTANT

How you handle what you have been entrusted with is very important. My attitude toward wealth becomes my testimony.

FAITH REQUIRES ACTION

The wicked servant knew what to do but did nothing. Many of us know what we ought to do, but we disobey or delay.
