

## Our Intention: Love One Another

The Christian life is one of worshipping and glorifying God together in community. We are not meant to run our race alone. Knowing this, we walk alongside each other in the joys and the trials of life. We strive to be a multi-generational community of believers who love each other well. We want to serve each other sacrificially, understand each other deeply, and live transparently – together. We invite others into our brokenness through difficult conversations and genuine accountability, for the glory of God.
